

Statement for Website

We are committed to ensuring that your privacy is protected.

A cookie is a small file which is stored on your computer's hard drive when you visit some websites. Cookies help analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual, an application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

You can disable any cookies already stored on your computer, but these may stop our website from functioning properly.
